## What We Offer

---

A Private, Personalized and Automated tool to provide exclusive rate advantage for all hospitality needs with no middlemen in between.

## Why Us

---

Hobse helps you in **identifying the right hotel** as per you need.

**Simplified and effective RFP process** ensuring multiple responses resulting in effective decision making regarding choice of Hotels.

**Private Virtual Negotiator** to negotiate price and add exclusive specifications to your booking without leaving your desk.

**Hotels as your travel planning partner** in planning, budgeting and executing every meetings & get-together.

**Ensure employee fatigue** by identifying pre approved, pre budgeted , location wise hotels.

**Eliminate the problem of employee reimbursement & claims** altogether by traveling on a fixed price every time. Get the billing direct to company and enable easier auditing

**Save cost and Time** - No middlemen , no commissions , no multiple searches. One platform -Hobse

**Increase collective buying power** by adding corporate travel and personal travel under one booking umbrella to increase your buying power.
